

2023 Technology Officer Report

Facebook Group (<https://www.facebook.com/groups/1408646406101288/>)

Our Midwest Women's Fellowship (RPCNA) Facebook group currently has 169 members. This is a closed group, which means that membership is moderated. Anyone asking to join the group must be approved by the moderators (Laura Wallace, Rachel Borg or Lori Hemphill).

Similarly, each post submitted to the group must be reviewed and approved before it posts to the timeline. Certain content providers (such as our officers and coordinators) have been designated as pre-approved posters and can skip the approval process.

We began promoting registration for the retreat on Facebook on February 4, 2023. Other posts provided information about the retreat and information about missions.

MWF Website (<https://mwfellowship.org/>)

A complete overhaul of the MWF website was planned for 2022 but due to time limitations was postponed until 2023. This update is necessary since the platform it was originally built on has become outdated.

Digital Archiving (<https://drive.google.com/drive/folders/0B1XSfj6wdZPBVXR5R2JGTEgyTjQ>)

I have continued to maintain the group's digital archive, adding PDFs of reports, flyers, etc. as they become available. The content is organized into subfolders and contains such information as Bylaws and Constitution, instructions for procedure books, presidents and missionary bios, archived reports, and much, much more! Any member of our MWF Google group is able to view the files in the archive by going to <https://mwfellowship.org/members>, clicking on the LOGIN TO MEMBERS SECTION button, and then clicking the ARCHIVES folder.

Respectfully submitted,

Lori Hemphill
Technology Officer
Shawnee, KS
